

CARE USA Green Team Resources

Poverty

- [IUCN Report on Indigenous Peoples and Climate Change.pdf](#) International Union for Conservation of Nature report on Indigenous People and Climate Change (Mar 08)

Other NGOs

- **Nature Conservancy Carbon Footprint Calculator:** Use The Nature Conservancy's online carbon footprint calculator to measure your – or your household's – climate impact. The calculator will estimate how many tons of carbon dioxide and other greenhouse gases your choices create each year - www.nature.org/initiatives/climatechange/calculator

Green Offices

- **Heifer Project:** Read all about the Heifer Project's amazing green headquarters - <http://www.heifer.org/site/c.edJRKQNiFiG/b.201577/>

- **Perkins + Will:** Click here to read the Perkins + Will Green Operations Plan for creating a more environmentally friendly office http://www.perkinswill.com/files/sdi/gop_condensed.pdf

Film/Videos

- **Kilowatt Ours:** A Nashville man's documentary leads a nationwide call for energy conservation - www.kilowattours.org

- **The Story of Stuff:** 20-minute documentary on consumerism - www.storyofstuff.com

- **The 11th Hour:** A full length documentary produced and narrated by Leonardo DiCaprio examines the state of our planet and practical ways to change how we live. The DVD extra features are great! Main site: <http://wip.warnerbros.com/11thhour/mainsite/site.html>

- **An Inconvenient Truth:** full length award winning film by nobel peace prize winner Al Gore

Extractive Industries

- Publish What You Pay Coalition - www.publishwhatyoupay.org
